- Review of Strategic Plan 2012 - 2015
- Strategic Plan 2015-2018
- 2014 Stakeholder Assessment of CCRIF
- SWOT Analysis of CCRIF
Vision

• A Caribbean region and beyond with optimised disaster risk management and climate change adaptation practices supporting long-term sustainable development

Mission

• Our Mission is to assist member governments and their communities in understanding and reducing the socio-economic and environmental impacts of natural catastrophes.
• We do this by being a global exemplar in providing immediate liquidity through a range of affordable insurance products, developing innovative and dynamic tools and services, engaging in effective partnerships and operating in a way that is financially sustainable and responsive to the needs of the members
Strategic Objectives

- To provide products, services and tools responsive to the needs of members
- To enhance capacity for disaster risk management and climate change adaptation
- To sustain corporate and financial integrity
- To deepen understanding and knowledge of catastrophe risk and the solutions CCRIF provides
- To expand membership
- To deepen strategic partnerships
