End

# Daniel Rooplal

- Carbon Zero Institute of Trinidad and Tobago
- Establishment of an operational CZITT Living Lab at the Arboretum in Chaguaramas

# Donel Mc Master

- Anguilla Department of Disaster Management
  - Developed disaster risk information system
  - Hired full-time.

# Jabari Mc Kell

- Nevis Department of Physical Planning and Environment
  - Hazard risk mapping, flood/tsunami analysis, housing assessments.

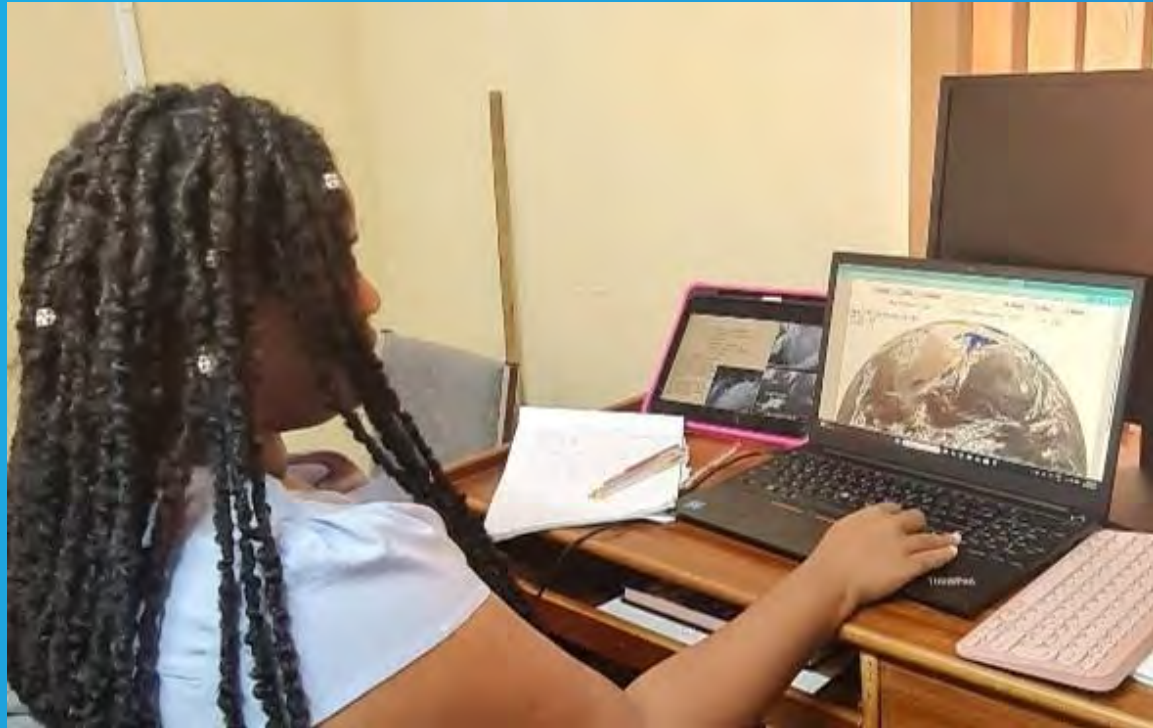

# Joel Morrison

- Carbon Zero Institute of Trinidad and Tobago (CZITT)
- Environmental vulnerability assessment and a study on the adoption of climate-smart agriculture (CSA) apps in Guyana

# Kajanda Belgrave

- **Caribbean Institute for Meteorology and Hydrology**
- Research on the subtropical jet, focusing on the impacts of climate change on its role over the Eastern Caribbean during the dry season.

# Kemuel George

- **IAMovement, Trinidad**
  - Vetiver Project, Circular economy, climate storytelling.

# Keoni Williams

- **National Meteorological Service of Belize**
  - Produced a Drought and Heat Risk Atlas designed to support national sectors such as agriculture, water, tourism, energy, and health.

# Kym Calix

- **CCRIF SPC**
  - Supported the 2nd Wider Caribbean Regional Risk Conference 2025
  - Small grants research, communications

# Maia Gill

- **IAMovement, Trinidad**
  - Climate talks, community project proposals, networking.

# Melissa Jittan-Gazee

- CCRIF SPC

- Supported the 2nd Wider Caribbean Regional Risk Conference 2025
- Small grants research, communications

# Nathene Logie

- Department of Geography, The UWI, St. Augustine Campus
- Assess the relationship between environmental factors (such as flood risk) and dengue incidence, nature-based solutions

# Raheem Buckley

- **Mona Geoinformatics Institute**
- Field deployment of sensors and cameras, GIS-based mangrove mapping, drone operations and spatial data collection
- Offered full-time position

# Reanna Swamber

- Office of Disaster Preparedness and Management (ODPM) Trinidad
  - Integrated gender issues and social issues into DRR strategies.

# Rhyana Dupigny

- Caribbean Disaster Emergency Management Agency (CDEMA)
  - Communications, visibility campaigns, Situation Reports during Hurricane Melissa

# Taton David
