

# Small Grant Applications

The CCRIF Small Grants Programme invites proposals for small projects by NGOs, CBOs, charity organizations and academic institutions from CCRIF member countries and/or CARICOM member countries.

## Eligibility

All registered NGOs, CBOs, charity or non-profit organizations, and universities operating within local communities across CCRIF member countries in the Caribbean and/or CARICOM member countries are eligible for funding.

## Submission Guidelines

Proposals must be submitted electronically through the CCRIF Small Grants online platform on the CCRIF website.

Projects should be related to **reducing community vulnerability to natural hazards and/or climate change** and can focus on areas such as: disaster risk management, engineering, climate change adaptation, training and capacity building, and environmental management initiatives that will directly impact on reducing community vulnerability.
