Online programmes also are eligible for these scholarships.

Applicants must be holders of a bachelor’s degree with a GPA of at least 3.0 in an area related to disaster risk management, environmental management, geography/geology, engineering, actuarial science, or a related discipline. Preference may be given to candidates who have some work or volunteer experience in a related field.

The scholarships are valued up to US\$11,000 each and are specifically for those applicants who have gained admission to a Masters level programme or an MBA programme fitting the eligibility criteria presented above.

Preference will be given to persons with supporting nominations from publicly-funded (government) national or regional agencies whose mandates are specific to risk management, disaster risk modelling, disaster risk management, meteorology, climate change, civil with environmental engineering or environmental management.

Guidelines for Submission of Application

All applicants must submit via the CCRIF scholarship online platform:

- A complete application form (available at <https://www.ccrif.org/scholarship>)
- An essay based on the prompt provided in the application form
- A letter of intent telling us about yourself and what motivates you. Indicate why you chose to apply for this scholarship and why you deserve to be awarded this scholarship. Explain why you chose this university and course of study. Explain how you think your course of study will benefit you personally, your country or the wider Caribbean region and how it is aligned with CCRIF's mandate. The letter should also indicate long-term career goals as well as any other relevant information the Committee can consider in awarding the scholarship.
- A curriculum vitae
- Copy of undergraduate degree and transcript; where the degree is not yet awarded by the application deadline date and will be awarded by the beginning of the postgraduate programme, the most up-to-date transcript will be accepted
- Letter of admission to an eligible programme the Caribbean/ United Kingdom/ United States/ Canada
- Details from the university of the cost of the programme
- Proof of citizenship (copy of passport or national identity document with valid dates)
- Passport-size photograph

Applicants must also provide the following reference reports:

- Two reports from academic referees at the university level attesting to the applicant's academic ability and potential – to be uploaded by
- A professional reference report from one of the following:
 - a current employer – this should explain how the nominee and the home institution will benefit from this new knowledge and expertise;
 - If not currently employed: a former employer – this should attest to the applicant's skills and work professional demeanour and contributions to the institution
 - In the absence of professional experience: a project supervisor or supervisor for volunteer activities – this should attest to the applicant's skills and contributions

Referees must submit these reports to the following email address:
scholarshipapplications@ccrif.org.

- The subject line of the email must include the name of the scholarship applicant.
- The reference report must be in an attachment and the filename must include the name of the scholarship applicant.
- Emails will be accepted only from organizational email addresses – i.e. emails from google, hotmail, yahoo etc. addresses will not be accepted.
- The reference reports must be submitted no later than June 21, 2025 (note that this is after the scholarship application deadline).

Applicants must ensure that referees submit the reports by the deadline.
